

Little Angel

By Koby Lee

Verse 1: Rest those weary eyes
Close them just for a little while
Dream of beautiful things
Like hugs and kisses and penguins
When you wake you'll see
That I'm still here it's you and me
I can't help but smile
'cos you're mumma's little angel

Verse 2: I'm loving you loving me
Nice to be each other's number one
You like to play you have fun
You bring the child out in everyone
Together we explore
What life is actually about
You learn and you adore
Everything seems so magical
