

# My Heart Is Love

By Koby Lee

**Chorus:** No matter where I am  
No matter where I've been  
No matter what I've done  
You're my angel you're my one  
To you I surrender  
My every given treasure  
There's nothing too good  
For you my heart is love

**Verse 1:** I've been there from the very beginning  
I've watched your hair grow  
I've laughed at you learning  
Concerned when you're yearning  
Figure it out as we go  
The years will fly by and at times I will cry  
Have to learn to let go  
'Til then my dear  
Let me be here  
Let me be your loving mum

*Chorus x 1*

**Verse 2:** I'll be there 'til my very last breath  
Then I'll look down with pride  
I'll do my absolute best  
To keep the sparkle in your eye  
And when the times get tough  
Get a little rough  
I'll be the shoulder you can cry  
'Til then my dear  
Let me here  
Let me be your number one

*Chorus x 2*
